TERMS OF SALE

THESE ARE THE UNIFORM TRADE TERMS OF
THE AMERICAN ASSOCIATION OF
NURSERYMEN

All bills payable net sixty days from date of invoice
with discount 2% ten days, 1% thirty days.

For cash in advance a 3% cash discount is allowed.
Interest at the rate of six per cent per annum shall be
charged on accounts from the date of maturity.

All prices are for goods in nursery, packing extra.

PRICES subject to change without notice.

The articles herein listed will be furnished in accord-
ance with the following schedule:

1 to 4 plants of one kind and size will be priced at 10%
above the ten rate.

5 to 24 plants of one kind and size will be priced at the
ten rate.

25 or more plants of one kind and size will be furnished
at the hundred rate, when hundred rates are given.

250 or more plants of one kind and size will be fur-
nished at the thousand rate, when thousand rates are
given.

FROM THIS SCHEDULE WE WILL NOT VARY be-
cause of the fact that considerable time is required to as-
semble an order made up of small lots of kinds that are
widely separated over the nursery.

SPECIMEN PLANTS. Specimen plants, selected by
the customer or by his representative, will be priced ac-
cording to their individual values.

CAUTION. We accept all orders upon condition that
they shall be void should injury befall stock from frost,

fire, hail storms or other causes over which we have no
control.

GRADES. We grade carefully by standards of Ameri-
can Association of Nurserymen; in some cases by caliper;
in others by height. When graded by both caliper and
height, the caliper must govern.

CLAIMS. No claims for rejections or deficiencies will
be entertained unless made within ten days after arrival
of goods.

TRUCK DELIVERY. When the size of the shipment
warrants, we are in a position to arrange for direct de-
livery by truck in bulk at reasonable rates.

Where customers wish to send their own trucks for
bulk loading, it is advisable to give us three or four days
advance notice, so that we may have the material ready
when the truck arrives and avoid delay.

Care should also be taken that all trucks carry suffi-
cient tarpaulins to properly cover the stock.

PACKING will be done in the best possible manner,
and charged for at the cost of material used. Boxes and
hales delivered free of charge to all railway stations. After
goods are delivered to forwarder in good condition our
responsibility ceases.

UNKNOWN PURCHASERS must accompany their
orders with cash or satisfactory reference.

GUARANTY. We give no warranty, expressed or im-
plied, as to quality, description, productiveness of any
nursery stock that we sell. The only guarantee that we
make is that our stock is alive at time of shipment and
true to name. No complaints will be considered that are
not made forthwith upon receipt of order. Any stock or-
dered from this list found untrue to name, will be cheer-
fully replaced at the first favorable opportunity for plant-
ing, after it has been found not as ordered.

REFERENCE

For those who do not know us we refer to any bank or
business house in Geneva, the Commercial Agencies, and
the leading nurserymen of the United States.

—NOTICE—

All goods sold by us are sold f. o. b. point of shipment,
and while in transit are at purchaser's risk. We feel it is
our duty to emphasize the fact that we do not insure the
safe delivery of goods and that the title of any goods sold
by us and consigned to the purchaser or consignee desig-
nated by purchaser passes to the purchaser upon de-
livery by us to the carrier at point of shipment.

And we desire to make it clear to the trade that the
Railroad Company's receipt relieves us of all responsibil-
ity, and any claim for damage should be made imme-
diately to the agent at the point of delivery.
